Christmas Tasting 2024
Friday 22nd November
at Palmers Brewery

Welcome and thank you for joining us at our Palmers Wine Store Christmas Tasting 2024. You join us in the old cellars of the brewery. About the room, you will find tables of wine from around the world hosted by importers, distributors and producers. The evening follows an informal format - please try whatever you like, in whatever order.

Last year was our busiest tasting to date and whilst it is amazing to see so many people enjoying the event, we made the decision to cap the numbers a bit earlier this year so that everyone joining us has an opportunity to taste without feeling that they are fighting for space. We would really welcome your feedback whether the format and numbers work for you.

Two prices are displayed for each wine. The list price is the usual price on the shelf in Palmers Wine Store. At the annual tasting we offer a special discount for orders of a mixed dozen or more wines placed on the evening of the tasting. This price is either 15% or in some cases there are special prices advertised. In order to take advantage of these prices please leave your order of at least a dozen bottles with a member of the Wine Store team before you leave.

Proceeds from ticket sales for this evening's tasting are being donated to the Palmers Brewery Community Fund - supporting local not for profit projects and initiatives. If you would prefer you can opt to use your ticket purchase as a deposit against an order on the evening. If you would like to do the latter please tick the box on the order form.

We will be winding up at 9pm.

Merry Christmas.
